

N.V. No. 389/2021:

The Ministry for Foreign and European Affairs presents its compliments to all Ministries of Foreign Affairs and Diplomatic Missions accredited to the Republic of Malta, and has the honour to inform that the Ministry for Health has communicated that individuals currently living in Malta, holders of a valid Maltese Residency Permit are eligible to take the COVID-19 vaccination, and that no particular distinction will be made depending on the country of origin of the said individuals.

It should also be noted that the vaccination to foreign nationals holders of a valid Maltese Residency Permit will be administered with the rest of the population on dates and time as indicated by the pertinent Maltese Health Authorities.

The Ministry for Foreign and European Affairs avails itself of this opportunity to renew to all Ministries of Foreign Affairs and Diplomatic Missions accredited to the Republic of Malta the assurances of its highest consideration. *RB*
